Annually, 2013-present

- I arrange promotional materials and registration forms, visit school to distribute these materials, rehearse and direct a mass flute choir for all participants, direct the UAHS Flute Choir in two mini-performances throughout the day, give a masterclass on all region/state materials, arrange for a guest artist/teacher, and perform in the evening concert for this annual event. Attendance ranges from 40 to 100 high school and junior high students and band directors. An average of 15 districts are represented at the event each year including River Valley, NWA, and Central Arkansas schools.
